

MINNESOTA WEST COMMUNITY AND TECHNICAL COLLEGE

ASSOCIATE OF SCIENCE – INDIVIDUALIZED STUDIES

Student name: _____

Student ID number: _____

This program requires completion of 30 credits of general education selected from at least 6 areas of the Minnesota Transfer Curriculum. In addition, this program requires submission of a written degree plan initiated by the student with assistance from a academic counselor/faculty member. The plan must also demonstrate transferability to at least one four-year accredited institution, even when it may not be the intention of the student to transfer immediately after completing this degree.

List agreed upon courses that will meet the 30 credit individualized studies technical requirement. Use additional paper if necessary:
